No problem. Sorry about the time change it also puts me in a crunch, but others could only leave at 9am.

Here's the agenda that contains the call in/pin numbers.

Hey Lachala:
Unfortunately, since I declined your modified appointment, I also deleted the revised agenda for the meeting with MDNR.

Would you be willing to email it to me along with dial-in instructions so that I can join the discussion remotely?

Thanks so much, sorry to be such a pain.

Mike

Hi Mike,

Yes there is room available for you to join us on the trip to Sedalia, and we'll be glad to have you.

FYI—The meeting will start a bit later than usual due to scheduling conflicts. I'll send an updated agenda shortly.

Hi Lachala:
Just following up to see if there is sufficient room available in the vehicle going to Sedalia for me to join you or if I should plan to attend by phone.
Thanks – Mike Davis
